New Organ for Hilo.

The new pipe organ for the Hilo Foreign Church arrived from San Francisco on the Roderick Dhu June 2d. Hector Bergstrom came down with the instrument, and has already commenced to set it up in the church. The dedication of the new instrument will take place Saturday evening, July 3d. Wray Taylor goes up from Honolulu to play at the dedication, and is on the program for four solos. B. L. Marx, the violinist, will accompany him, and assist in two or three numbers.

A fine program is being prepared by F. M. Wakefield, who has the concert in charge. It is quite probable that the Hilo public will also have the pleasure of hearing Mrs. E. D. Tenney in one number. Miss Willis of Hilo will sing, and there will be several anthems by the church choir. J. W. Bergstrom went up on the last Kinau to assist his brother in erecting the organ.

Another Tug-of-War.

The tug-of-war tournament has created no end of talk and excitement along the water front, so much, in fact, that a tug-of-war for a prize of \$50 has been arranged for between the Inter-Island and Oceanic wharf hands, the contest to take place in the pavilion along with the end of the regular tournament, Saturday night. It is understood that arrangements will be made for another team, probably the Wilder wharf hands, to enter today. If this comes to a head an interesting three-cornered fight may be looked for.
